Welcome Back!

We welcomed our driving team back in true Transportation fashion—with good food, great company, and plenty of laughter.

Train. Practice. Prepare.

Our Transportation team sharpened their safety skills through CPR training, fire extinguisher practice, student management strategies, and emergency evacuation drills—building confidence, teamwork, and readiness for whatever comes their way.

Convocation!

Our team showed up, showed out, and brought the energy! What a powerful way to kick off another school year. Here's to a year filled with teamwork, growth, and plenty of Lion pride!

First Day of School!

The Transportation Department kicked off the first day of school with energy, teamwork, and a commitment to getting our Lions where they needed to be—safely. Our team was ready to roll and help start the school year on the right track!
