TOPIC/PURPOSE OF REPORT: First Amendment to the Contract Between the County of Dakota and ISD 199

REFERENCE TO POLICY/STRATEGIC PLAN: Statement No. 84 of the Governmental Accounting Standards Board

RECOMMENDED BOARD ACTION: Consent Action Item

DATE FOR BOARD ACTION: Monday, September 28, 2026

REPORT:

Independent School District 199 entered into a Contract with Dakota County, through its Public Health Department, for the use of Opioid Settlement Funds effective April 25, 2025. The original contract is identified as Dakota County Contract No. CLA20653.

Dakota County and ISD 199 have agreed to amend the original contract to extend the contract term. The First Amendment extends the agreement through January 1, 2028, or until all services have been satisfactorily performed and final payment has been made, whichever occurs later, unless the agreement is terminated earlier in accordance with law or the terms of the original contract.

All other terms and conditions of the original contract and previous amendments remain in effect.

RECOMMENDATION:

For the board of education to approve the First Amendment to the Contract between Dakota County and Independent School District 199 for Opioid Settlement Funds and authorize the appropriate district representative to execute the amendment.
