7. Discuss 2026 Property Values and Revenue Impact Per School FIRST Reporting Requirements

Discussion: Mr. Holland explained that there is no longer a funding lag due to changes in property values. He stated that the legislature now uses current year values for funded purposes instead of prior year values. Mr. Holland did mention that value changes will impact Stanton ISD's ability to generate state and local revenue annually and that material increases and decreases will impact state and local revenues. Currently the district's high mineral value has caused the district to be 96% funded by local revenues. This trend will continue unless the economic trends in the Permian Basin change and mineral values begin to decline.
