INFORMATION

Background

Dr. Don Heseman and Mr. Rodney Caddell will provide the Board of Trustees with an overview of Levelland ISD's current student-to-teacher ratios.

The report will provide information regarding student enrollment, staffing, and classroom ratios across the District and campuses. This information will assist the Board in understanding current staffing levels and how student enrollment is distributed throughout Levelland ISD.

Purpose

The purpose of this report is to: Provide the Board with current student-to-teacher ratio information. Review student enrollment and staffing levels across the District. Identify differences in student-to-teacher ratios among campuses and grade levels, as applicable. Provide context for future staffing, budgeting, and enrollment planning.

Administrative Recommendation

No action is required of the Board of Trustees.
