SAGINAW PUBLIC SCHOOLS – Retube Boiler 2

Dear Joe Licavoli:

We thank you for this inquiry and are pleased to submit our proposal for your consideration. We propose to furnish the necessary labor, equipment, and material to perform the work described below.

T&M Budget

\$21,300.00

SCOPE OF WORK

- Mobilize
- Remove and Replace fifty eight (58) 3" x .120 MW SA178-A tubes expanded and beaded at both ends with like for like construction.
- Monarch to hydro test the boiler to operating pressure.
- Demobilize

WORK CLARIFICATIONS

- Work to be done on a normal schedule, no weekends or holidays unless specifically stated.
- Monarch to remove existing tubes and set to the side of the boiler.
- Owner is responsible for existing tubes to be removed from the building.
- Access to the work area will be continuous and uninterrupted.
- Lockout/tagout, if required, shall be provided by the General Contractor/Owner.
- Scaffolding, if required, shall be provided by the General Contractor/Owner.
- Electrical, insulation, painting, and abatement work, if required, shall be performed by others.

PROPOSAL CLARIFICATIONS

- This proposal is valid for 30 days from the date of issue and supersedes all prior revisions.
- Payment terms are Net 30. Late payments will incur a finance charge.
- Monarch Welding & Engineering, Inc. expressly disclaims liability for any and all liquidated damages and/or consequential damages.
- Safety expectations will be reviewed and agreed upon prior to start of work.
- Proposal based on (1) one mobilization and (1) one demobilization.
- The proposal does not include engineering, permits, or inspection costs.
- The proposal assumes the General Contractor/Owner will provide utilities (water, electricity, compressed air, etc.) and basic facilities (break room and toilets) necessary to perform the work.

- Additional terms and conditions are at www.monarchwelding.com/proposalterms and are incorporated herein by this reference.

Thank you in advance for your consideration. Should there be questions and/or additional information necessary to evaluate our proposal, please contact me for further details. We look forward to your favorable response.

Sincerely,

Kyle Kuchek
