

Goals for Helen Paris Recreation Commission 2027

1. Work with community to hear recreation needs for seniors by having an open meeting and/or reaching out to service clubs that are traditionally for over 55 such as ELKS, Rotary, etc.
2. Create a monthly or bimonthly e-bike event for over 55 for purposes of exploring our own backyard.
3. Create a parks masterplan and a cost analysis that could be shared with the public. I believe the community would embrace more taxes if they saw the vision for Hayden,
