Taxpayer Impact Statement

(Pursuant to Texas Government Code 551.043(c)(2))

House Bill 1522 amends Section 551.043 of the Texas Government Code to add new notice requirements under the Texas Open Meetings Act. Specifically, when a governmental body posts notice of a meeting under Section 551.043(a)(c) at which it will discuss or adopt its budget, the notice must now include a taxpayer impact statement. The taxpayer impact statement must show, for the median-valued homestead property within the governmental body's jurisdiction:

- The property tax bill in dollars for the current fiscal year, and
- An estimate of the property tax bill in dollars for the upcoming fiscal year.

This requirement is intended to increase transparency by allowing taxpayers to see how proposed budgets may directly affect their property tax bills. Duncanville ISD will not have its official median homestead value or tax rate for the current tax year before the meeting to adopt the budget. Therefore, the median homestead value being used for 2026 is an estimate from Zillow as of March 31, 2026.
