

Nugent's Nugget

August 31, 2026

Hello GGS Families

I want to keep you in the loop about what's happening at our school. You can expect these short "nuggets of information" around the middle of each month. Since the start of the school year is full of information, I am sending it out early!

A.M. Drop off

Just a friendly reminder to those of you who are dropping your children off at the start of the day. Please make sure to leave the section by the stairwell where I am standing open for the bus drop off. You can drop off before the crosswalk (closer to 5th St.) or past the stairs where I am standing. Thank you for keeping the area open and safer for everyone!

P.M. Pick Up

If you are picking up your child(ren) after school, please make sure to park behind the white line on the sidewalk (by the crosswalk closer to the playground) because the buses park up by the playground. Classrooms have students lined up in bus order (6, 7, 8) and then those getting picked up by parents at the end of the lines. **Please plan to be in the pickup line and not up by the playground as it is a safety concern. We need to keep track of students and who they are leaving with.** Your help with this is greatly appreciated!
