BOARD OF EDUCATION**

Date: 9/16/2026 Presented By: Dr. Heseman
Subject: Enrollment Report Related Page(s) Attached

INFORMATION

Purpose

This exhibit is provided to the Board of Trustees for informational purposes and provides a comparison of current district enrollment to enrollment at the same point during the previous year.

The district will continue to monitor enrollment throughout the school year. Enrollment trends are an important consideration in long-term planning related to staffing, facilities, student programs, and district finances.

This report is presented to the Board for informational purposes only.
