District Goals:

Goal 1: By 2032, 95% of Manor ISD scholars will graduate prepared for college, career, and/or military services based upon their individual goals.

Bottom of Form

Background Information:

iCEV provides a platform for curriculum, assessments, certifications, and data tools for our secondary Career and Technical Education students. This platform is used by a majority of our Career and Technical Education programs of study at the secondary level. iCEV was procured through the Interlocal Purchasing System (TIPS).

Fiscal Implications:

\$55,440 to be paid from the Career and Technical Education local budget

Administrative Recommendation:

The recommendation is to approve the purchase of the iCEV Career and Technical Education platform for secondary campuses.

Motion Language:

I move that the board approve the expenditure of over \$50,000 for the purchase of the iCEV platform for secondary Career and Technical Education Programs as submitted.
