BOARD AGENDA ITEM

ITEM NO: 4.2

BOARD MEETING DATE: Tuesday, September 22, 2026

UNFINISHED BUSINESS: Approval of Revisions to Policy and Regulation, IHB, IHB-R, *Special Instructional Programs* (second reading)

SUBMITTED BY: Mindy Westover, Associate Superintendent

PRESENTED BY: Mindy Westover, Associate Superintendent

This is the second reading of Policy and Regulation IHB, IHB-R, *Special Instructional Programs*. There were no revisions made after the first reading. The revisions are needed to align with the requirements of HB 2170, which amended A.R.S. §15-763.

The policy has been revised by adjusting minor structural formatting.

The revised regulation requires that when a student is determined to be eligible for special education and related services due to a specific learning disability, the student's Individualized Education Program (IEP) must indicate whether the student has been diagnosed with dyslexia.

This legislative requirement is reflected by the addition of language within the Individualized Education Program section of the regulation. No other changes have been made to Regulation IHB-R.

RECOMMENDED MOTION: I move that the governing board approve the revisions to Policy and Regulation, IHB, IHB-R, *Special Instructional Programs*, as presented.
