Regular Agenda Item

Meeting Date	September 21, 2026
Action	Consider the approval of the 2026 – 2027 District Improvement Plan and Campus Improvement Plans.
Motion	I move to approve the 2026 – 2027 District Improvement Plan and Campus Improvement Plans.
Administrative Recommendation	The administration recommends the approval of the 2026 – 2027 District Improvement Plan and Campus Improvement Plans.
Authority for this Action	BQ (Legal) - Planning and Decision-Making Process A board shall ensure that a district improvement plan and improvement plans for each campus are developed, reviewed, and revised annually for the purpose of improving the performance of all students. A board shall annually approve district and campus performance objectives and shall ensure that the district and campus plans: are mutually supportive to accomplish the identified objectives; and at a minimum, support the state goals and objectives under Education Code Chapter 4. Education Code 11.251(a)
Goal/Objective Addressed	Student Achievement Crosby ISD will ensure that every student achieves their full academic potential by providing high-quality instruction, engaging learning opportunities, and a supportive environment that prepares all learners for success in an ever-changing world.
Background	The District Improvement Plan and Campus Improvement Plans provide a framework for continuous improvement and are developed, reviewed, and revised annually to improve student performance and support identified district and campus goals. The plans are informed by student achievement data, campus and district needs assessments, and input from staff and other stakeholders. The plans establish performance objectives and identify strategies and activities designed to address identified areas of need and improve outcomes for all students. The District Improvement Plan and Campus Improvement Plans are developed as mutually supportive documents and are aligned with applicable state goals and objectives.

Staffing Implications	N/A
Budget Information	N/A
Impact of this Action	The District Improvement Plan and Campus Improvement Plans establish priorities and strategies that guide continuous improvement across the district and campuses. Implementation of the plans impacts areas including curriculum and instruction, teaching and learning, assessment, professional development, organizational practices, facilities, and data management, with the overall goal of improving student outcomes and supporting the success of all students.
