Recommendation

The information is presented for discussion purposes. No board action is needed.

Background Information

Superintendent Anderson will present reports from building and district administrators:

Topic	Issue / Talking Points
First week of school	All schools and departments reported a strong start to the school year. Two notes: • Overall, the transportation system worked extremely well to start the year. On the Friday before the first week, parents received emails with bus routing information, but Infinite Campus did not have the information online; the technology department is working with the vendor to resolve. • The district is hiring for special education assistants and other positions.
School Board election	Two residents filed for the school board election on November 3, 2026. There are three open seats. The “Meet the Candidates Night” will be held on September 22nd 7:00-8:30 pm in the district office.
MSHSL Membership Fee	MSHSL issued an invoice for \$4,759 for the 2026-27 school year. This is under the \$10,000 threshold.
Student Discipline Task Force Update	The task force has now met two times. During the second meeting, student discipline data for the district and school sites were reviewed. A draft list of planned work for 2026-27 was presented but not yet discussed.
Facility Issues Update	A verbal update will be provided during the meeting.
Athletic Trainer Update	The district contracted with Select Urgent Care for athletic training services for up to 50 hours per week during the school year.
