

613 GRADUATION REQUIREMENTS

[Note: The requirements set forth in this policy govern the graduation standards that Minnesota public schools must require for a high school diploma for all students.]

I. PURPOSE

The purpose of this policy is to set forth requirements for graduation from the school district.

II. GENERAL STATEMENT OF POLICY

The policy of the school district is that all students must demonstrate, as determined by the school district, their satisfactory completion of the credit requirements and their understanding of academic standards. The school district must adopt graduation requirements that meet or exceed state graduation requirements established in law or rule.

III. DEFINITIONS

- A. "Required standard" means a statewide adopted expectation for student learning in the content areas of language arts, mathematics, science, social studies, physical education, health, and the arts. Locally developed academic standards in health apply until statewide rules implementing statewide health standards under Minnesota Statutes, section 120B.021, subdivision 3, are required to be implemented in the classroom.
- B. "Credit" means a student's successful completion of an academic year of study or a student's mastery of the applicable subject matter, as determined by the school district.
- C. ~~"English language learners" or "ELL" student means an individual whose first language is not English and whose test performance may be negatively impacted by lack of English language proficiency.~~
- CD. "Individualized Education Program" or "IEP" means a written statement developed for a student eligible by law for special education and services.
- DE. "Section 504 Accommodation" means the defined appropriate accommodations or modifications that must be made in the school environment to address the needs of an individual student with disabilities.

IV. DISTRICT ASSESSMENT COORDINATOR

~~Jessica Buttell~~ ~~Darin Doherty~~ shall be named the District Assessment Coordinator ~~and. Said person~~ shall be in charge of all test procedures and shall bring recommendations to the school board annually for approval.

V. GRADUATION ASSESSMENT REQUIREMENTS

- A. Graduation Requirements
Students' state graduation requirements, based on a longitudinal, systematic approach to student education and career planning, assessment, instructional support, and evaluation, include the following:

- ~~1. Achievement and career and college readiness in mathematics, reading, and writing, consistent with Minnesota Statutes, section 120B.307, subdivision 4, paragraph (d), and to the extent available, to monitor as measured against a continuum of empirically derived, clearly defined benchmarks focused on students' attainment of knowledge and skills so that students, their parents, and teachers know how well students must perform to have a reasonable chance to succeed in a career or college without the need for postsecondary remediation and which facilitates the monitoring of students' continuous development of and growth in requisite knowledge and skills; analyze analysis of students' progress and performance levels, identifying fication of students' academic strengths and diagnosings of areas where students require curriculum or instructional adjustments, targeted interventions, or remediation,; and determination of students' learning and instructional needs and the instructional tools and best practices that support academic rigor for the student. based on analysis of students' progress and performance data; and~~

1.

2. Consistent with this paragraph and Minn. Stat. § 120B.125 (see Policy 604, Section II.H.), age-appropriate exploration and planning activities and career assessments to encourage students to identify personally relevant career interests and aptitudes and help students and their families develop a regularly reexamined transition plan for postsecondary education or employment without need for postsecondary remediation.
3. Based on appropriate state guidelines, students with an IEP may satisfy state graduation requirements by achieving an individual score on the state-identified alternative assessments.

B. Targeted Instruction Plan

1. A student under Subparagraph V.A.1. above must receive targeted, relevant, academically rigorous, and resourced instruction, which may include a targeted instruction and intervention plan focused on improving the student's knowledge and skills in core subjects so that the student has a reasonable chance to succeed in a career or college without need for postsecondary remediation.
2. Consistent with Minnesota Statutes, sections 120B.13, 120B.30, 124D.09, 124D.091, 124D.49, and related sections, an enrolling school or district must actively encourage a student in grade 11 or 12 who is identified as academically ready for a career or college to participate in courses and programs awarding college credit to high school students. Students are not required to achieve a specified score or level of proficiency on an assessment under this subdivision to graduate from high school.
3. As appropriate, students through grade 12 must continue to participate in targeted instruction, intervention, or remediation and be encouraged to participate in courses awarding college credit to high school students.

~~[NOTE: The revisions in Paragraphs A and B align the model policy language with Minnesota Statutes 120B.303.]~~

- C. A student's progress toward career and college readiness must be recorded on the student's high school transcript.

VI. GRADUATION CREDIT REQUIREMENTS

Students must successfully complete, as determined by the school district, the following high school level credits for graduation:

- A. Four credits of language arts sufficient to satisfy all academic standards in English language arts;
- B. Four credits of mathematics sufficient to satisfy all of the academic standards in

mathematics;

- C. Four credits of science, including one credit to satisfy all the earth and space science standards for grades 9 through 12, one credit to satisfy all the life science standards for grades 9 through 12, and one credit to satisfy all the chemistry or physics standards for grades 9 through 12;
- D. Three and one-half credits of social studies, encompassing at least United States history, geography, government and citizenship in either grade 11 or 12 for students beginning in grade 9 in the 2025-2026 school year and later or an advanced placement, international baccalaureate, or other rigorous course on government and citizenship under Minnesota Statutes, section 120B.21, subdivision 1a, and a combination of other credits encompassing at least United States history, geography, government and citizenship, world history, and economics sufficient to satisfy all of the academic standards in social studies;
- E. One credit in the arts sufficient to satisfy all of the state or local academic standards in the arts;
- F. One credit of Physical Education sufficient to satisfy all of the state or local academic standards in Physical Education;
- G. One-half credit of Health sufficient to satisfy all of the state or local academic standards in Health; and
- H. A minimum of nine elective credits.
- I. Students who begin grade 9 in the 2024-2025 school year and later must successfully complete a course for credit in personal finance in grade 10, 11, or 12. A teacher of a personal finance course that satisfies the graduation requirement must have a field license or out-of-field permission in agricultural education, business, family and consumer science, social studies, or math.
- J. Credit equivalencies
 - 1. A one-half credit of economics taught in a school's agriculture education or business department may fulfill a one-half credit in social studies under Paragraph E., above, if the credit is sufficient to satisfy all of the academic standards in economics.
 - 2. An agriculture science or career and technical education credit may fulfill the elective science credit required under Paragraph D., above, if the credit meets the state physical science, life science, earth and space science, chemistry, or physics academic standards or a combination of these academic standards as approved by the school district. An agriculture or career and technical education credit may fulfill the credit in chemistry or physics required under Paragraph D., above, if the credit meets the state chemistry or physics academic standards as approved by the school district. A student must satisfy either all of the chemistry or physics academic standards prior to graduation. An agriculture science or career and technical education credit may not fulfill the required biology credit under Paragraph D., above.
- K. Students that earn a minimum of 2.0 credits in a state approved alternative program including Rock Bend ALC program, Credit Recovery, or ABE are eligible to waive the following credits and meet the requirements of graduation.
 - 1. One math credit may be waived. The state requirements are three credits of mathematics, including an algebra II credit or its equivalent, sufficient to satisfy all of the academic standards in mathematics.

2. One science credit may be waived. The state requirements are three credits of science, including at least: (1) one credit of biology; (b) one credit of chemistry or physics, and (c) one elective credit of science. The combination of credits must be sufficient to satisfy (i) all of the academic standards in either chemistry or physics and (ii) all other academic standards in science;
3. Two elective credits may be waived; a minimum of seven elective credits must be earned.

~~[NOTE: The revisions above align the policy language with Minnesota law, including changes enacted by the 2024 Minnesota legislature concerning physical education credit and state standards in health. Paragraph 8 was enacted in 2023; it affects students who begin grade 9 in the 2024-25 school year.]~~

VII. GRADUATION STANDARDS REQUIREMENTS

- A. All students must demonstrate their understanding of the following academic standards:
 1. School District Standards, Health (K-12);
 2. School District Standards, Career and Technical Education (K-12); and
 3. School District Standards, World Languages (K-12).
- B. Academic standards in health, world languages, and career and technical education will be reviewed on an annual basis.* A school district must use the current world languages standards developed by the American Council on the Teaching of Foreign Languages.

* Reviews are required to be conducted on a periodic basis. Therefore, this time period may be changed to accommodate individual school district needs.
- C. All students must satisfactorily complete the following required Graduation Standards in accordance with the standards developed by the Minnesota Department of Education (MDE):
 1. Minnesota Academic Standards, English Language Arts K-12;
 2. Minnesota Academic Standards, Mathematics K-12;
 3. Minnesota Academic Standards, Science K-12;
 4. Minnesota Academic Standards, Social Studies K-12; and
 5. Minnesota Academic Standards, Physical Education K-12.
- D. State standards in the Arts K-12 are available, or school districts may choose to develop their own standards.
- E. The academic standards for language arts, mathematics, and science apply to all students except the very few students with extreme cognitive or physical impairments for whom an IEP team has determined that the required academic standards are inappropriate. An IEP team that makes this determination must establish alternative standards.

VIII. EARLY GRADUATION

Students may be considered for early graduation, as provided for within Minn. Stat. §

120B.07, upon meeting the following conditions:

- A. All course or standards and credit requirements must be met;
- B. The principal or designee shall conduct an interview with the student and parent or guardian, familiarize the parties with opportunities available in post-secondary education, and arrive at a timely decision; and
- C. The principal's decision shall be in writing and may be subject to review by the superintendent and school board.

IX. HIGH SCHOOL DIPLOMA FOR VETERANS

A. Diploma

The school district must, upon a request under Paragraph B. below issue a high school diploma to a veteran as defined in Minnesota Statutes, section 197.447 who was unable to complete their high school education for reasons related or unrelated to their military service, and who served:

- 1. during the Korean Conflict; or
- 2. during the Vietnam War.

B. Request

A veteran may request a diploma on their own behalf, or a family member may make a posthumous request on behalf of a deceased veteran or service member. The high school diploma is awarded based on the veteran's knowledge and experience gained while in service, or the veteran's other relevant lived experience. The school district may require the veteran or veteran's requestor to provide evidence that the veteran was a Minnesota public school student or is a current Minnesota resident.

C. No Report Required

The school district is not required to report on diplomas issued under Minnesota Statutes, section 127A.135.

D. Assistance

The Minnesota Department of Veterans Affairs and county veteran service officers may provide assistance to districts fulfilling diploma requests, including but not limited to verification of discharge paperwork.
