

BOARD AGENDA ITEM COVER SHEET

ARGYLE INDEPENDENT SCHOOL DISTRICT

BOARD MEETING DATE:	September 21, 2026
AGENDA ITEM:	Consider Update on the Opening of Legacy HS
AGENDA LOCATION:	Discussion and Action
PRESENTER TITLE & NAME:	Dr. Courtney Carpenter
DEPARTMENT:	Administration
PRIORITY FOCUS AREA:	Student Learning, Student Experience

BACKGROUND INFORMATION

Administration will provide the Board of Trustees with an update regarding the planned opening of Argyle Legacy High School for the 2027–28 school year, including the most recent student participation data related to the previously approved opening configuration.

As communicated during the October 2025 parent meeting and subsequent public Board discussions in the spring of 2026, the approved model included a transfer/choice option for the Class of 2030; however, the district also communicated that a **minimum participation threshold would be necessary for that option to remain operationally feasible**. Specifically, the district anticipated that approximately half of the applicable grade-level students would need to commit to attending Argyle Legacy High School in order to support appropriate staffing, course offerings, programs, and student opportunities.

Administration will review the most recent student commitment data and its impact on the feasibility of the approved opening model. If participation does not meet the previously communicated threshold, administration may recommend that the Board reconsider the choice option and instead open Argyle Legacy High School with full classes of **9th- and 10th-grade students attending their zoned high school**.

This item is presented for Board discussion and consideration based on the most current enrollment and participation information. The Board can choose to take action at this meeting or in October. District administration needs a final decision no later than the October board meeting.
