Re: Athletic Director Report September, 2026

Homedale Board of Trustees,

Fall Sports are up and running.

Fall Sports-

Volleyball-

Varsity Volleyball is 3-4 thus far this season. They went and played in one of the top tournaments in Idaho on Aug. 21 & 22 in Pocatello. They beat Nampa Christian in five sets in their first home match. They travel to Jerome for another tournament this coming weekend, Sept. 5th. The JV and Frosh teams are doing well so far early in the season. League play starts on September 10th at Fruitland.

Football-

The varsity football team is currently 2-0 beating Sugar Salem and Central Catholic. The JV team is 1-1 thus far. League play begins September 25th @ Weiser for the Varsity. They still have two more preseason games. Gooding and Kimberly. This is by far the most difficult schedule we have ever had in the 19 years I have been here at HHS.

Cross Country-

Cross Country has had two competitions thus far. Coach Hotchkiss is doing a great job with our kids. There have been multiple PR's so far this season.

Girls Soccer-

Girls JV soccer are currently 0-2. They have 17 girls out for soccer but most of them have little to no experience playing soccer. Having only a JV team was a good decision.

Boys Soccer-

Coach Stone has the boys competing. Their current record is 1-0-1. They play Payette's varsity team this Thursday. Coach Stone is doing a great job with this group. Having only a JV team was also a good decision. Hopefully with the JV program showing success the program will continue to grow. We currently have 17 boys out for soccer.
