

MHS School Board Report

September 2026

Attendance

For the month of September our attendance rate was 92.11%. I expect to see a bit of a dip as DDF and Wrestling get going.

We currently have 95 students enrolled at MHS. 4 of them are part time and attending electives. There are only 2 that are not enrolled with us and are 100% online.

Issues Within the High School

There have been a lot of outside of school issues that have been making its way into our school day. These are very time consuming to deal with and would like to plant a seed to possibly develop a board policy that might help manage this.

Celebrations-

Programs continue to grow in number and in the ways that we are engaging students!

We have a total of 14 students that have been granted the opportunity to attend the SHI CTE classes. They are in underground mining, outboard motor repair, intro to healthcare, and early elections.

Thank You! To maintenance and our custodians for helping with the two drainage issues and keeping the school running.
