Report to the Board

Shannon LaFountaine, Curriculum Director

Sept. 16, 2026

It is with great enthusiasm that I present this report to the Board as we begin another school year. I am honored by the opportunity to serve this district as Curriculum Director, working alongside our dedicated staff to strengthen teaching and learning across our schools. The coming year holds tremendous promise, and I look forward to collaborating closely with teachers, administrators, and the Board to advance our instructional goals and support student success. I am grateful for your continued partnership and trust, and I am excited to share the progress and priorities that will guide our work in the months ahead.

- Arrival, inventory and distribution of this year's curricular materials has been ongoing.
- As in years past, curricular materials were on display during August and the first week of September for preview. We had a small number of patrons come in to view the materials.
- Planning for this year, by scheduling dates for department meetings, data days, and elementary expos to continue the work that was started last year.
