

Huntsville Independent School District
October 2026 ~ Principals Month
Resolution #27-02

- WHEREAS as our school leaders, principals are entrusted with our most valuable resource – our young next generation of leaders. These students are our promise for the future, and it is critical that they receive a rigorous and well-rounded education; and
- WHEREAS principals are more than just caretakers of their schools. Principals are expected to be educational leaders, disciplinarians, community builders, spokespersons, budget analysts, and guardians of policy mandates and initiatives. Principals set the academic tone for their schools and work collaboratively with teachers to set performance objectives and maintain high curriculum standards; and
- WHEREAS principals across the country have persisted as beacons of light in their communities. Not only have they gone above and beyond to ensure their students’ academic success, they’ve also worked tirelessly to protect the health and safety of every person in their learning communities — often with little or rapidly changing guidance. With every new challenge, they’ve risen to the occasion and led their learning community forward with the bold leadership it deserves because they are the experts in what their students and schools need; and
- WHEREAS the National Association of Elementary School Principals and the National Association of Secondary School Principals – joined by their state affiliates, the Texas Elementary Principals and Supervisors Association and the Texas Association of Secondary School Principals – have designated the month of October as a time to recognize the contributions of elementary, middle and high school principals; and
- WHEREAS the Administration of Huntsville ISD recommends that the month of October 2026, be designated as “Principals Month” in Huntsville ISD to call attention to the vital role that Principals and Assistant Principals play in our public school system, and to thank them for leading our campuses forward, helping our children succeed while preparing them for the futures they create and “Building Champions”.

THEREFORE October 2026 shall be declared “Principals Month” in Huntsville ISD.

Be it resolved this 17th day of September 2026.

Ken Holland, Board President

Tracy Stoudt, Board Vice President
