DHS Student Report: Braeden Busey, senior and student body president gave a brief report to the board. He shared the school had a great start with the first day welcoming 108 freshmen and after 3 weeks of school all 108 are still attending. Fall sports have begun and 116 students are participating and 22 students are involved with the marching band. There are 150 students involved in the FFA program and about another 50 participate in the other various clubs like National Honor Society, Drone Club, etc. Some upcoming events include the first home football game on September 18th, homecoming game is scheduled for October 9th, and the dance will be on October 10th.

4. SUPERINTENDENT REPORT

4.A. **Enrollment:** Numbers seem to be down a bit compared to last year. We will continue to track the data. Enrollment still seems to be an issue all over the state which stems from the online virtual platform options.

9. COMMUNICATIONS: None at this time.

10. FOR THE GOOD OF THE ORDER

Mr. Craig Anderson, DHS Principal said that they have implemented a student debit card system which eliminates cash exchanges between students in their fundraising on campus. This program cleans up the tracking of funds and protects students and DHS clubs and was also recommended by the auditors. The new way of dealing with cash has been a smooth transition.

Mr. Anderson also said the students adapted really well to coming back to school.

Mrs. Janna Norton, MES Principal shared that the school had their open house event on September 3rd. During that event, Domino’s pizza donated 70 pizzas for the families to enjoy that attended. Parents were provided with Title 1 information. Overall, it has been a great start to the new school year. To encourage students to attend school on Friday the 11th, students can participate in “detective” dress up day and try to find their missing Cheetah mascot.

Mr. Rob Holveck, WMS Principal said they have been spending the last couple of weeks breaking everybody back into the role of school. He has really witnessed personality changes over such a short period of time. Staff are embracing the interim assessments and really breaking down the measurements to identify students that need that extra help. The focus is

making sure students are making progress and academic intervention. Fall sports are doing really well.

McGovern and Lookingglass staff have been busy posting social media videos, and they seem to be receiving really good feedback.
