Hello,

Please see the attached report of the information requested in your FOIA below.

Todd

On November 3, school districts across Tazewell County are asking resident voters to consider a one-cent tax to support school facility renovations, safety and support upgrades, and reducing reliance on property taxes. Learn more by visiting www.tazewellforstudents.com.

Subject: FOIA Request: Purchase data

You don't often get email from justin@starbridgefoiainsight.com. [Learn why this is important](#)

Dear FOIA Officer,

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140/1 et seq.), I am requesting existing electronic records maintained by Midwest Central Community Unit School District 191 reflecting payment records for all vendor entities (companies, organizations, contractors, and other non-person payees) from January 1, 2026 to current date, including at minimum:

- Purchase date
- Vendor name
- Line-item description

- Line-item amount

If vendor names are coded, please include the existing vendor list/key.

Examples of responsive records: AP vendor history, check register, procurement report, PO detail report, warrant/claims report, PO history report. These are illustrative only. Any existing report containing the requested fields is responsive. I am not requesting creation of a new record.

This request concerns non-person transactions. If personnel payments (payroll, stipends, reimbursements) appear in the same report, no separation is needed; the report as-is fulfills this request.

I am requesting existing electronic records only (no copying, scanning, or printing).

If misrouted, please forward to the correct contact and reply with that contact's information.

If denied in whole or part, please cite the specific exemption for each denial and provide all segregable non-exempt portions.

Please reach out if any clarification would help expedite this request.

Thank you for your attention and cooperation.

Sincerely,

Justin Wenig
