OBJECTIVE: 1.1

SUBJECT:

2026 State Assessment Results and 2026
State Accountability

RATIONALE:

The State of Texas Assessments of Academic Readiness (STAAR) and the STAAR Alternate 2 were administered to students in Grades 3-12 in the spring of the 2025-2026 school year. In December and June, students in Grades 9-12 had an opportunity to take the STAAR EOC tests for the first time or as a retest for previous unsuccessful attempts. 2026 Accountability ratings were released publicly August 14, 2026. These results are being presented in accordance with TEC 101.3014.

The charts attached demonstrate how students performed in each of the tested areas.
