

AD Board Report

High School

- XC has competed in several events and reports from the coaches are that the students are performing very well. There is an event in Ketchikan this Saturday and we would like to thank our community partnerships for helping us navigate this challenging ferry schedule. Regionals are in Juneau at the end of the month which coincides with the Region 5 AD meeting.
- Volleyball has been up and running since this past Wednesday. Schedule has been finalized after a team from the region had to transfer to mix 6, which now gives a home event on the 9th of October as well as hosting regionals. We will need refs for the home meet so if you are certified please let me know or if there are individuals who would like to become refs please reach out to me.
- DDF is off to their first event on the 17th to Skagway. Students are preparing themselves for when we host Regionals in January.
- Wrestling is going to begin on the 30th of September.

Middle School

- XC has a home event against the Ketchikan schools on the 19th of September. If anyone would like to be a volunteer to assist with the event, please let me know. They will have their final event in Ketchikan on the 3rd of October.
- Basketball begins on the 5th of October.
