

ANTIOCH COMMUNITY CONSOLIDATED SCHOOL DISTRICT 34

INSPIRE TO DREAM - EMPOWER TO ACHIEVE

BOARD MEETING MEMORANDUM

Board Meeting Date: September 15, 2026

From: Maria Treto-French, Assistant Superintendent/CFO/CSBO

Re: FY27 School Maintenance Project Grant Application

Agenda Location: Consideration to Approve: Action Items

Rationale:

ISBE has allocated grant funds to be awarded for school districts with maintenance projects. The maximum amount to be awarded for a project is \$50,000. The district must agree to reserve matching funds (\$50,000) towards the project. Additionally, the district has not obligated funds nor begun work on any of the projects listed on this application prior to the submission of this application.

We are always looking for ways to enhance the district's budget. The playground paving project and/or the replacement of the roof at Antioch Upper Grade School meet the criteria for this grant, and is a win-win for the district.

Recommendation/Motion:

The administration recommends that the Board of Education authorize the submission of the FY27 School Maintenance Project Grant application.
