Completed Summer Projects:

Elementary cleaning and waxing

Westside Windows

Elementary room cleaning and waxing

Playground Retaining Wall

Classroom Abatement

Classroom Flooring

Eastside Windows

Classroom Painting

Capital Projects Levy

During Open House, informational fliers were available regarding the **Permanent School Fund Amendment** and the **Capital Projects Levy**.

Additional information about both topics will be shared with families and community members via email during the **week of September 14**.

We are also looking to schedule a **Community Information Forum for Monday, September 28**, to provide additional information, answer questions, and give community members an opportunity to learn more.

K–12 MTSS Behavior: First 20 Days

During the **First 20 Days of School**, our K–12 MTSS Behavior focus is on building strong relationships, establishing consistent expectations, and creating a positive school environment for every student.

Our priorities include:

Connecting with students and ensuring every student feels known and supported.

Building positive relationships between students and staff.

Teaching and reinforcing building-wide behavior expectations to create consistency across K–12.

Superintendent and Principal Walk-Throughs to support staff, students, and consistent implementation.

Connecting with new staff to provide support and build a strong school culture.

These priorities will extend beyond the First 20 Days and serve as an important **staff development focus throughout the 2026–2027 school year** as we continue strengthening our K–12 MTSS Behavior framework.

District Initiative 2026-2027

Electronic Tech Agreement

New this year. Helped speed up the technology handouts.
