

Baird High School/ Junior High September 2026 Board Report

Student Accomplishments:

The Cheerleaders have done a great job with the Pep Rallies this year. Their efforts and dedication have really shown on Fridays.

8th and 9th graders traveled to Abilene to participate in the **Texas Farm Bureau Student Success Series**

8th Grade Students:

- Learned about the Texas Farm Bureau
- Explored careers in Agriculture, Food, and Natural Resources
- Built leadership skills through hands-on activities
- Networked with peers from across the state

9th Grade Students:

- Strengthened leadership skills through interactive opportunities
- Connected with students from across Texas

We are proud of our students for taking part in these opportunities, which not only **develop leadership and career readiness** but also help them build skills that will benefit them throughout high school and beyond.
