Google Workspace for Education Education Standard & Education Plus License Verification Letter

License Verification Letter are required for all Education Standard and Education Plus orders. This approach allows customers to act as the source of truth for current information and partners to license according to the institution's current total student enrollment (representing all students, including full and part time) and total staff requiring an active Education Fundamentals license. This product is licensed on a per-user basis, and thus every user needs a license to ensure full functionality.

Additional licenses can be purchased to provide a buffer for changes in enrollment. Licenses purchased after the initial commitment are prorated for the remainder of the subscription.

There are two options for creating this letter and sending it back to us:

Option A:

1. Confirm all pre-filled information on the next page is accurate. Please contact Kim Mauney at kim.mauney@amplifiedit.cdw.com if you need to make changes.
2. Type your name and title, then print out, sign it, and put this on your district's letterhead. You can print the next page using the **Other Actions** menu above.
3. DO NOT click "Finish" until after you complete the next step.
4. Make a PDF copy of your signed document, and return to this document and upload below.

Option B:

If it is easier for you, [can also find a copy of the letter here](#). Follow the instructions on that document to place the letter on your organization's letterhead.

You can email me a copy of the completed PDF - kim.mauney@amplifiedit.cdw.com or use the **Upload PDF** option below.
