DHS and Natatorium Closing

- DHS and the Natatorium closed early on Aug. 31, 2026 due to a water main break.
- Students and staff were released early.
- Due to the closure, some employees were unable to work their scheduled hours.

Board Policy DEA Local

- During an emergency closure, all employees shall continue to be paid for their regular duty schedule unless otherwise provided by Board action.
- Following an emergency closure, the Board shall adopt a resolution or take other Board action to establish the purpose and parameters for such payments.

Continued Pay for Employees

- All regular employees and substitutes instructed to leave early during the emergency school closure will continue to receive pay (salaried and non-salaried).
- This helps ensure fairness, supports morale, and prevents employees from experiencing a loss in pay due to emergency school closures.
