FES September 2026 School Board Update

FES Open House

Open House was held on September 2. Family attendance was excellent, with most classrooms reaching or nearly reaching 100% parent/guardian participation. Students met their teachers, located their classrooms and lockers, and reconnected with friends. Families could also take part in a meal in the cafeteria.

MCA (Minnesota Comprehensive Assessment) Results

Our preliminary third-grade MCA results are a point of pride for FES staff:

- **Math:** 85% of students tested demonstrated proficiency compared to 57% statewide.
- **Reading:** Preliminary results indicate approximately 82% proficient. Final results and a statewide comparison are not yet available for the new MCA-IV Reading assessment.

These results reflect the strong instruction provided by our staff and the effort demonstrated by our students.

PBIS (Positive Behavioral Interventions and Supports)

During the first week of school, students participated in PBIS expectation stations throughout the building, including the playground, cafeteria, bathrooms, hallways, Media Center, and Office. This is our fifth year using this approach. Teaching and practicing expectations at the start of the year helps establish clear, consistent routines and provides a positive start to the school year.

Workshop Week

Staff returned August 31 through September 2 for Workshop Week. Time was focused on collaboration, planning, professional learning, and classroom preparation. Staff worked together to ensure a strong start to the school year.
