Gardner Elementary Board Report, September 2026

Team Member of the Month

Gardner Elementary is so thankful for Mrs. Lisa Gilbert, our September Team Member of the month whose thorough preparation, guidance, and leadership make our Gardner lives so great. Thank you, Mrs. Gilbert, for your commitment to our reading life at Gardner.

Mrs. Gilbert and Mrs. Huels will be speaking at the Show-Me Science of Reading and Math Conference in Columbia, Missouri on October 6 as well as the Bi-County Institute this year.

Reading Rotations- How to schedule intervention and enrichment using data

Topic: Literacy

Angie Huels (Gardner Elementary),
Lisa Gilbert (Gardner Elementary)

Learn how to revise your reading interventions so that you offer all students the opportunity to get what they need. Have you pulled students out of academic classes to offer...

Recent Highlights

- Jessica Washausen met with teachers at the end of August to review IAR scores and their connection to Renaissance, our new benchmarking program. We are thankful for her leadership and the next steps we can take as a result.
- We are excited to say that we have [Reading Rotations and WIN plans](#) accomplished, and both classes will be rolling on Monday, September 21. Teachers spend endless hours preparing for these enrichment and intervention groups.
- Gardner Elementary, led by Andy Mayer, welcomed author John Schu for his second visit. He shared his love for books and so many actual books during an energetic presentation.
