5th/6th Grade Tackle Football

Practices began on September 14th for our 5th and 6th grade tackle football program. Practices will run Monday through Thursday from 5:30-7:00pm. This is the third year in which we moved the program to the later time so we are able to have more parents help coach. We are grateful to have so many parents who are willing to coach and have a background in football.

Start of the School Year

- **Little Falcons Preschool and ECFE:** Preschool and ECFE classes officially started on September 14th and 15th. We currently have 95 preschoolers and 37 students attending the wraparound program.

Big Truck Night- Year 4

Our Preschool/ECFE team has been planning Big Truck Night! It is the 4th year of the event. There will be a variety of big trucks/equipment for our kids to explore. The main goal through this event is to bring community members closer to the school district and local businesses. We feel that it is important to have our youth involved in different trades and learn about the businesses that make our communities thrive.
