

Invitation for AMSD districts

Amplifying Student Voice

Strengthening School Boards

5th Annual Minnesota School Boards
Amplifying Student Voice Summit

Wednesday, October 28 • Chaska Community Center

Register by October 21

Why this is worth your time

The event centers the voices most affected by school board decisions.

Students, school board members, and district leaders come together to share ideas, build connections, and explore how student perspectives can help shape stronger schools.

The outcome is practical: new strategies, fresh insights, and connections with peers across Minnesota.

Student voice is not an “extra.” It is leadership infrastructure.

Who should come?

Bring the people who can turn student voice into action.

Student Leaders

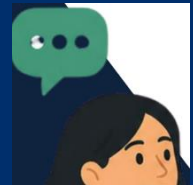

School board members

Superintendents

High school principals

The best learning happens when students and adults hear the same message together and then leave ready to act together.

Recommendation: bring a team, not a single attendee.

What districts will take back

Clear, usable ideas for strengthening student voice in governance and leadership.

FRESH INSIGHTS

Hear directly from students about what makes school stronger, safer, and more connected.

ACTIONABLE STRATEGIES

Learn how other districts structure student representatives, advisory models, and feedback loops.

STATEWIDE CONNECTIONS

Build relationships with students, board members, and leaders who are doing this work across Minnesota.

A STRONGER LAUNCH

Leave with a starting point, whether your district already has student reps or is just exploring models.

**4 useful
takeaways**

No student representative yet?

That is exactly why this is a strong entry point.

A dedicated breakout session will support districts interested in learning more about student voice and exploring different models for student engagement.

Explore models

Identify what fits

Build a next step

Start where you are and leave with a pathway.
