INFORMATION

Purpose

(Disclaimer, this is only a SAMPLE of the things we are focusing on)

Each Levelland ISD campus develops a Campus Improvement Plan to identify campus-specific priorities, establish measurable goals, and outline strategies for improving student outcomes. The 2026–2027 Campus Improvement Plans are presented to the Board of Trustees for informational purposes.

DISTRICTWIDE ALIGNMENT

While each campus has unique needs and priorities, the campus improvement plans collectively support the district's broader goals. Campus leaders will monitor progress throughout the school year and use student performance data to adjust strategies and interventions as needed.

Board Information

The Campus Improvement Plans provide a glimpse into a piece of the roadmap for each campus's work during the 2026–2027 school year and establish measurable areas of focus for campus leadership teams, staff, and stakeholders.
