

WOODRIDGE SCHOOL DISTRICT 68
Administration Office

TO: Dr. Patrick Broncato
FROM: Dr. William Schmidt, Assistant Superintendent for Human Resources
DATE: September 21, 2026
SUBJECT: Administrator and Teacher Compensation Report

Section 10-20.47 of the School Code requires school districts to 1) report administrator and teacher salary and benefits to the Illinois State Board of Education by October 1 and 2) present the information at a school board meeting before posting on the website of the district.

Prior to this annual reporting to the State Board of Education, the information must be presented at a regular school board meeting, subject to applicable notice requirements, and then posted on the Internet website of the school district.

Also, under an amendment to the Open Meetings Act, within 6 business days after an employer participating in the Illinois Municipal Retirement Fund approves a budget, that employer must post on its website the total compensation package for each employee having a total compensation package that exceeds \$75,000 per year.

There is no requirement that this be voted upon, it is only a presentation to the Board, and this information for the 2026-27 school year will be posted to the District's website.
