

## 5<sup>th</sup> grade band begins!

Many of our 5<sup>th</sup> grade students attended a special night to try and choose band instruments for the upcoming year. We look forward to great performances from Mr. Hansen and our budding 5<sup>th</sup> grade musicians!

## **Madison Family Picnic a big success!**

As part of our family engagement efforts, we recently held our Madison Family Picnic day. Families were invited to have lunch outside with their students and many were able to attend. Our students were so excited to have their loved ones here for lunch and we also handed out literature on the importance of good school attendance.

## Popsicles with the Principals

To start the school year, K-8 administrators rode the spirit bus around town to local parks to welcome students and families to a new school year and hand out some cold treats. We are grateful to our families for coming out to say hello!

## Kindness Kam!

This year, we are recognizing kind and helpful acts from our students with our new Kindness Kam! We have a tv mounted in a central place in the building (thank you tech and maintenance) and are running a slide show of students' kind and helpful acts. Students love seeing their pictures and our hope is as we focus on these positive behaviors, they will spread and inspire more!

## Encouraging great attendance!

We are continuing to encourage great attendance with our bulletin board out in the front of the gym. This month we are recognizing “HEROs” **H**ere **E**very day **R**eady **O**n time with silly selfies of their class each day they have above 90% attendance.
