

Dixon High School

September 2026

OFF TO A GREAT START

With summer coming to a close and the smell of fall in the air, Dixon High School is once again back in session. Our amazing custodial staff spent countless hours cleaning and preparing the building for the new school year, and we are grateful for their hard work. Our halls are full of laughter and smiles as students chat with friends between classes, and our teachers are prepared and eager to share their knowledge with their students.

This year, we are fortunate to welcome new, smiling faces to our staff, with a few alumni returning as well! Our building is now in full swing. We are also excited to incorporate Progress Learning, an ACT preparation program, with students completing individualized plans to help prepare for this assessment in the spring. Our student-athletes are back to work and continue to entertain and amaze us with their athletic achievements.

The theater and fine arts departments are hard at work as they prepare for their upcoming fall shows. Our student organizations, such as Student Council, are once again getting students involved and planning the most anticipated fall event: Homecoming! This year's theme, Rio, is sure to capture students' imaginations as they plan fun activities and prepare for the dance. We look forward to continuing this semester and all the new exciting things to come!
