

BUY-A-DAY SHOOTING CHALLENGE

How it works:

1. Choose a date you would like to sponsor
2. Donate the dollar amount that matches the date.
3. Player shoots and makes the amount they raise prior to season starting.
"You can select as many dates as you would like!"

Example:

10th = \$10 = 10 shots made by player
31st = \$31 = 31 shots made by player
3rd = \$3 = 3 shots made by player
