

Athletic Director's Report 9/21/26

- September Athletes of the Month
 - Caden Kite- Boys Golf
 - Brooklyn Truman- Girls Golf
- September Coach of the Month
 - Kristi Hitpas- Girls Golf
 - Brett Howard- Football
- Collected over 1,500 pounds of food and essential items in the KSDK Tackle Hunger Campaign to benefit Operation Food Search.
- WHS Varsity Football won the Great American Rivalry Series game presented by the US Army over Columbia. The ARMY and Great American Rivalry Series raved about our facilities, community, hospitality, coaches/players, and atmosphere at the football game. They want to come back next season and bring more ARMY personnel with them. The idea is to do a flyover of a Blackhawk helicopter to deliver the game ball over midfield, and then present the helicopter on display for kids and individuals to see.
- The Booster Club recently purchased a large Bulldog inflatable that can be used indoors and outdoors. Most recently used at a volleyball and football game.
- The athletic department is searching for students who are interested in being part of the gameday experience at WHS by being involved in video board / music operations and hopefully, production and creativity within the video boards on the turf and in the gym.
- Thank you to Russ Nobbe and Annbriar Golf COurse for allowing us to borrow a golf cart.
