Re: Fiscal Year 2026-2027 School District Budget - Certificate of Revenues

Per the Illinois Property Tax Code, Section 18-50 (35 ILCS 200/18-50), the governing authority of each taxing district shall file with the County Clerk, within 30 days of adoption, a certified copy of the appropriation and budget ordinance (annual budget), as well as an estimate certified by the Chief School Business Official, of revenues (by source) anticipated to be received by the taxing district for the appropriate fiscal year. The finalized budget of Woodridge School District #68 was voted on and adopted at their September 21, 2026 Regular Board Meeting. The attached Certificate of Revenues by Source was subsequently completed on September 22, 2026 based on this final, approved budget.
