2. Several SFD members attended ASHER (Active Shooter Hostile Event Response) training in Rochester at Century High School. Training was conducted by Rochester fire department and attended by many local volunteer services, RPD, and Olmsted County Sheriff's Office. We practiced skill in the triage and rescue of victims in a mass casualty incident.
3. Work continues with First Due, our new RMS software. Officers are now able to complete incident reports, which are being automatically reported to the federally mandated NERIS system. Inventory of radio equipment has been entered into the system, next up is all turnout gear. Total implementation is planned before the end of the year.
