REVIEW OF THE MONTH

1. Transportation: all trips have been covered for activities without any issues other than some logistical issues with pick up locations at the end of the school day. Those are being worked through with Aksamit. Two activities had to combine on a heavy travel day. Both teams were going to Minnewaska and it only adjusted the departure time of swimming by 10 minutes and did not add to any missed class time.
2. Fall participation numbers:
