The District is transitioning from Naviance to Xello, Inc. as a more cost-effective solution for providing college and career readiness services. Xello will provide the District with the necessary tools to support students in exploring postsecondary opportunities, developing academic and career plans, and preparing for life beyond high school, while reducing the overall cost to the District. Xello is available through Buyboard purchasing cooperative, of which the District is a member. The estimated cost for the annual subscription is \$136,000. It is the recommendation of the Chief Technology Officer, Director of Counseling and Student Services and Director of Purchasing that the Board approve expenditures with Xello, Inc. in the amount of \$140,000 through August 31, 2027.
