Thank you for the opportunity! Product availability, pricing, and product discontinuation are subject to change without notice. Please make your purchase order to Riverside Technologies, Inc. 724 N. 109th Court Omaha, NE 68154 Please include the quote number from this quote on the corresponding purchase order. Please fax your purchase order to RTI at 866-812-5370 or email to tdebste@1rti.com Thank you for Your Business! Please Note: After products are shipped, orders cannot be canceled and no returns can be accepted. Industry Update: I would also like to make you aware of current IT industry conditions that may affect pricing and delivery timelines. Ongoing component shortages—including memory, SSDs, and GPUs—combined with increased demand driven by AI initiatives, have prompted manufacturers to shorten quote validity periods. Due to ongoing supply chain challenges, neither RTI nor our hardware manufacturer partners can guarantee product availability or pricing until the product is shipped. While I am committed to helping you navigate these challenges, purchasing decisions may need to be made more quickly than in the past to secure pricing and availability. Please feel free to contact me if you have any questions or would like to discuss further.
