

GOOSE CREEK CONSOLIDATED INDEPENDENT SCHOOL DISTRICT

SHEILA V. CANTU

DIRECTOR OF PURCHASING & WAREHOUSE OPERATIONS

The disposal of surplus technology equipment is intended to provide the district with a secure, efficient, and environmentally responsible method for disposing of technology equipment that is no longer needed or has reached the end of its useful life. The goal is to ensure proper data security, chain of custody, recycling and disposal practices, while maximizing potential revenue returned to the district.

A Request for Proposal (RFP) #27-007, Disposal of Surplus Technology Equipment, was issued to three hundred ninety-seven (397) vendors. Seventeen (17) responses were received and opened by the Purchasing Department on August 8, 2026.

An evaluation committee, comprised of District representatives, was convened to review and assess the proposals. The committee evaluated each response based on the criteria outlined in the RFP. Each category was scored individually, and the totals were compiled to determine the overall ranking and best value to the district.

Based on the evaluation results, seventeen (17) vendors are recommended for award to provide the district with a pool of qualified vendors for the disposal of surplus technology equipment.
