

A group of five diverse young students are smiling and posing for a photo. They are holding small American flags and a large drawing of the US flag. The background is a plain wall. The text 'SUPERINTENDENT'S REPORT' is overlaid in white, bold, sans-serif font. Above the text is a white graphic element consisting of three curved lines forming a stylized leaf or wave shape.

SUPERINTENDENT'S REPORT

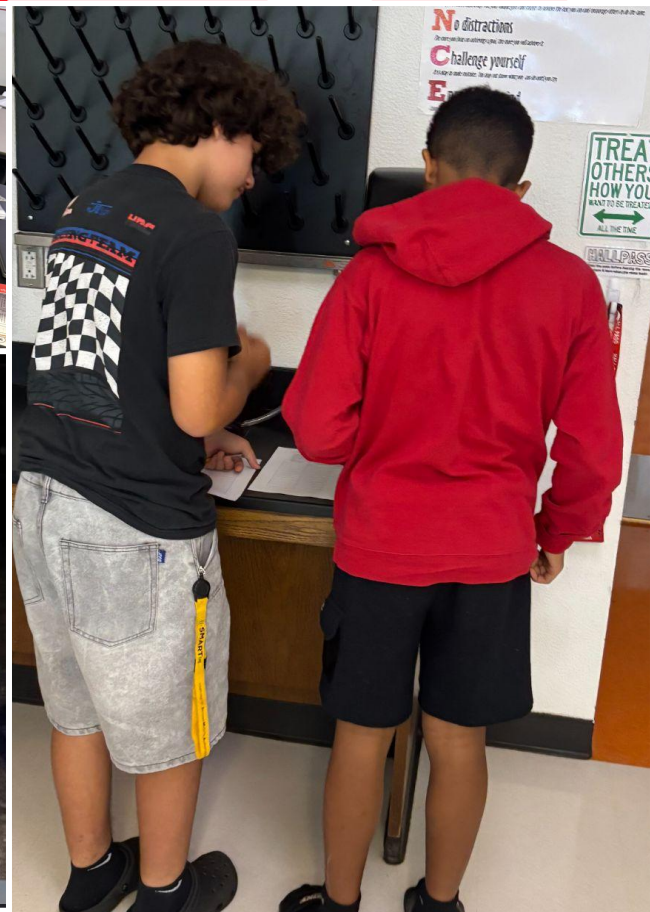

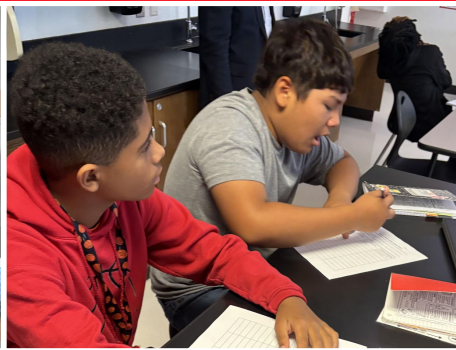

Empower **each** and **every** learner to pursue their dreams and enrich their communities.

MISSION

Empower each and every learner to pursue their dreams and enrich their communities.

Priority 1 - Students

Priority 2 - Staff

Priority 3 - Community

FutureU

EARLY COLLEGE ELEMENTARY DAY

EXPLORE • LEARN • BELONG • BECOME

Belton ISD 3rd graders will launch into career connected learning while building early awareness of post-secondary opportunities that can shape their futures.

Hosted in partnership with Temple College, FutureU provides an immersive, age-appropriate experience where students participate in interactive rotations that introduce a variety of career pathways aligned with the Belton Career Builders programs of study. Students will also explore the college environment to begin envisioning themselves as future college students.

Together, the immersive learning experiences and the exploration of the college environment foster curiosity, inspire dreams, and connect education to future possibilities - reinforcing the importance of learning, goal setting, and future readiness from an early age.

Campus Visit Schedule

Day 1 - Friday, October 23rd

Leon Heights
Southwest
Tarver
Chisholm
Charter Oak
Burrell

Day 2 - Friday, November 6th

Lakewood
Sparta
Pirtle
