Date	Upcoming Program	Staff
	See Attached Program Calendar	

Additional Items and News:

Expansion: We had some flooding into the library on Monday during the storm but between Sean and Benike any major damage was averted. The weather has also been uncooperative with our parking lot work with the ground still too wet to finish the excavating and fill in work. The project is still on track to be completed by year's end but the key will be completing the outer shell of the building by the end of October.

October

SUN	MON	TUE	WED	THU	FRI	SAT
