

City of Hayden Public Safety Commission

Matrix Consulting Evaluation Scorecard

Purpose: Evaluate whether the Matrix Consulting study adequately fulfills its contract objective: to assess the City of Hayden's law enforcement options, including development of a standalone police department or contracting with another law enforcement agency. The current Matrix phase addresses staffing, workload, organizational structure, investigations, administration, and potential contracted support services.

Rating Scale

1 = Very Poor / Not Addressed

5 = Adequate / Partially Addressed

10 = Excellent / Fully Supported

#	Evaluation Question	Rating 1-10
1	Does the report clearly identify Hayden's current law enforcement workload and service needs?	_____
2	Are the recommended staffing levels adequately supported by data?	_____
3	Does the proposed staffing provide realistic 24/7 law enforcement coverage?	_____
4	Does the report adequately address patrol, investigations, supervision, animal control, records, and evidence functions?	_____
5	Does the report distinguish between services Hayden should provide directly and services that could be contracted?	_____
6	Are the assumptions, calculations, and methodology clear enough for the Commission to independently understand them?	_____
7	Does the report adequately identify operational risks, staffing shortages, vacancies, overtime, and backup requirements?	_____
8	Does the analysis provide enough information to compare a standalone Hayden Police Department with contracted law enforcement options that include KCSO as well as other law enforcement agencies?	_____

Friday, September 4, 2026

9 Does the report provide sufficient information for the City to estimate startup and long-term operating costs? _____

10 Overall, does this phase of the Matrix study provide useful and credible information for the City Council's final decision? _____

Total Score

Total: _____ / 100

90–100: Excellent

80–89: Very Good

70–79: Acceptable, some clarification needed

60–69: Significant additional information needed

Below 60: Insufficient for decision-making

Commission Comments

Major Strength: _____

Major Concern: _____

Additional Information Needed: _____
