MEMORANDUM

September 21, 2026

To: Dr. Lacey Gosch, Chief of Staff & Support Services

From: Lynne Trevino, Director of Purchasing

RE: Request for Proposal (RFP) 26-02 Fine Arts Consulting- Clinicians, Accompanists, Choreographers, Judges & Related Products & Services

This proposal was created on behalf of the District's Fine Arts Department. In accordance with state law, a notice was published in *The Hart Beat* on July 01 and July 6, 2026. Submittals were opened as they were received. The District has received a total of fifty-five (55) responses. This Request for Proposals (RFP) seeks to identify and select qualified vendors to join an approved vendor list. Selected vendors will supply consulting services, specialized personnel (including clinicians, accompanists, choreographers, and judges), and associated products to support the District's Fine Arts programs. Vendors will be used on an as needed basis and when a need arises.

Evaluations were completed based on criteria identified in the Request for Proposal, which required vendors to submit various documents as a part of their packet. Therefore, the evaluation process was limited to verifying the type of services & products provided to avoid conflict with other contracts that may currently exist. In addition, the review included making sure that the goods offered for sale complied with established standards and were compatible with the needs of the District.

It is recommended that the Board of Trustees approve the recommended vendors as eligible providers under RFP 26-02 for Fine Arts Consulting- Clinicians, Accompanists, Choreographers, Judges & related products & services as presented in the attachment and delegate the authority to the Superintendent or her designee to execute all contracts and related documents necessary to complete any related purchases.

Expenditures may be made from the Fine Arts Departmental budget.

The contract will commence on or about September 25, 2026, for a two (2) year period, with the option at the district's discretion for three (3) one-year extension periods.

All board members, employees and agents involved in the planning, recommending, selecting or contracting of a vendor are reminded of the conflict-of-interest reporting requirements as mandated in Chapter 176 of the Local Government Code. A copy of Form CIS has been included as an additional attachment. In the event that a conflict exists, the form should be completed and submitted to the Purchasing Department not later than the 7th day after the conflict is identified. Once a recommendation to make the purchase was established, the prospective vendor was requested to complete a Texas Ethics Commission Form 1295. This requirement became effective on January 1, 2016 and is related to the passage of House Bill 1295 which is now incorporated into the Texas Government Code 2252.908. The form is attached and identifies all interested parties associated with the vendor as it relates to this procurement. Upon approval by the Board of Trustees and issuance of a district purchase order, the form will be posted on the Texas Ethics Commission's website as required by statute.
