Delano and Rockford each have a few students interested in participating, but neither school has enough participation to sponsor a program on its own. Orono has the capacity within our existing program to accommodate these additional participants, making the co-op a good opportunity to provide those students with access to Nordic Ski.

- List the number of students, by grade level, who participated in this activity during the previous year. *If the school did not sponsor the program last year, indicate the number of students expected to participate in this cooperatively-sponsored activity this year if approved.*
