School Size: 212

School Safety:

- Building update - A ton of work done over the summer. Seismic walk through "punch walk" scheduled for next week. Finalizing last items. The gym classrooms and the bathrooms attached to the cafeteria have been amazing. Still awaiting some final furniture items and other random items. Restoration from the flood is still in progress due to insurance. All work is under a year to ensure that all work will withstand persistent use.
- FEMA will be building the berm in the playground area. Long process so more to come on this.
- New flood doors went in between classrooms and front classroom doors have the scan in feature instead of locks

Title I:

- Open House Title 1 Night
- Schoolwide data meeting, September 15th

Parent Involvement

- Playground update: Megan updates regarding funding and the recent AllCare grant of $10,000. Hilary clarifies that Ms. Falkenhagen would like the border around the structures and this is something that can be discussed with Three Rivers School District Maintenance and PTO moving forward with the project.
- Coin Drive - Falk has mapped out all the dates for fall activities. Coin Drive assembly will be on 10/1, the drive being 5-15th, and final assembly being on 10/19. Megan will be chair and Carly has agreed to co-chair.
- Trunk or Treat - 10/29, follow the same layout from last year. Krissy has agreed to chair this event. She will likely recruit volunteers at the next meeting. Spirit week will be that week as well, which worked well last year.

- Thanksgiving Lunch 11/18 - need about 4 volunteers total. Should clarify with kitchen
- staff as well.
- Canned food drive 12/7-10th - Will discuss and appoint a chairperson at the next
- meeting.
- Winterfest 12/17 - Will discuss and appoint a chairperson at the next meeting.
- Turkey Trot - Ms. Dinkins is thinking about the beginning of November. Date TBD. She
- will reach out to the PTO for help and volunteers.
-

Instruction

- Beginning-of-the-year assessments (DIBELS and NWEA)
- CKLA teacher training on September 11th
- Data dive for OSAS and NWEA testing on September 25th

Culture

- New lanyards were ordered for students and passed out to teachers
- PTO making sure to keep track of events that students come to so that they can earn a pin
